PROJECTS & ENTREPRENEURSHIP

Commissioned PC Builder | *Independent* **2022 – August 2026**

• Design and assemble custom PCs based on each client's budget, performance needs, and component compatibility.

• Complete hardware installation, cable management, BIOS configuration, operating-system setup, driver installation, testing, and troubleshooting.

Founder, Cozmic | *Shopify E-commerce Store* **Dec 2025 - Feb 2026**

• Launched and managed a Y2K clothing and accessories store with Shopify, including product sourcing, pricing, product listings, branding, and storefront setup.

• Created promotional content on TikTok and handled advertising, order fulfillment, inventory coordination, and customer service.

Online Reseller and Shop Manager | *Depop* **March 2026 - Present**

• Operate an online resale shop by sourcing inventory, creating product photos and descriptions, setting prices, and promoting listings.

• Handle buyer communication, order fulfillment, packaging, shipping, inventory tracking, and customer service.

EXPERIENCE

Renovation Assistant, Seramur Properties | *Valparaiso, IN* **May-Aug 2025; Mar-Aug 2026**

• Rehabilitated two residential properties alongside a small renovation crew, completing demolition, appliance installation, interior painting, landscaping, material handling, and finished work with power and hand tools.

• Supported projects from demolition through cleanup and turnover; both properties were occupied following completion.

Front Line Worker, Dairy Queen | *Valparaiso, IN* **Aug-Dec 2025**

• Worked approximately 25 hours per week across register, drive-through, dessert preparation, closing, cleaning, and restocking responsibilities.

• Delivered accurate, efficient customer service while rotating among front-line duties during high-volume shifts.

Merchandise Associate, Marshalls | *Valparaiso, IN* **May-Sep 2024**

• Worked approximately 25 hours per week assisting customers, stocking merchandise, unloading shipments, and completing closing procedures.

• Organized sales-floor inventory and supported timely movement of merchandise from deliveries to store displays.
